

The Perla Ballet Rehearsal Conflict Sheet

Scheduling rehearsal for a large cast can be very challenging, yet we need every rehearsal to be attended and productive, so please think ahead about your other future activities, classes, vacations, and commitments. Remember things like church, sports, concerts, weddings, family reunions, homecoming/prom dances or other organizations that you might be involved with. We know school has not yet started and you may not be fully aware of all your future activities. As we get into the season, please update us in writing via EMAIL as soon as possible as these conflicts arise.
